```
1  SUM       MACRO        &ID
2            LDA          X&ID→1
3            ADD          X&ID→2
4            ADD          X&ID→3
5            STA          X&ID→S
6            MEND
```

(a)

```
SUM              A

        ↓

LDA              XA1
ADD              XA2
ADD              XA3
STA              XAS
```

(b)

```
SUM              BETA

        ↓

LDA              XBETA1
ADD              XBETA2
ADD              XBETA3
STA              XBETAS
```
